

**PATRICIA
URQUIOLA**

While Patricia Urquiola, a forty-seven-year-old Spaniard, has long been designing tables for Moroso, Kartell and B&B Italia, she has now made objects to go on them—namely, her Landscape porcelain coffee service for Rosenthal (● \$19-\$269 per piece; 800-804-8070). Her thin, asymmetrical pieces often incorporate ornament with structural purpose. Her Tropicalia chair for Moroso (● \$2,767; 800-705-6863) is appropriate indoors or out. patriciaurquiola.com.
